

Extreme Sports Additional Opportunity

Instructions:

ALL projects should include a title page, with the student's name, student number, grade, classroom teacher's name, and the date.

Students may DVR the event and watch it at a later date; it does not have to be watched live.

When you have completed the requirements, please submit your work to Ms. Duell.

K-1st Grade: Please watch the program/event then draw a picture depicting the event. All pictures should be on 8-1/2 x 11 " paper only. A minimum of four (4) colors are required.

2nd-3rd Grade: Please watch the program, then draw a picture depicting the event. Please include at least one (1) paragraph describing the event drawn in the picture, written in blue or black ink pen. All pictures should be on 8-1/2 x 11 " paper only. A minimum of four (4) colors are required.

4th-5th Grade: Please watch the program and write a 3-5 paragraph essay describing the event/s. Remember to use ELA Constructs and Kinesiology Writing Expectations. Word processed is preferred, however you may hand write it. Please print legibly, using blue or black ink. If word processing, please use 12-point font, preferably "Arial", "Times Roman" or a similar font. Drawings, photos, or diagrams are not required, but may be included.
