

Fishing

See how many critters you can catch! Make different distances from the fishing hole.

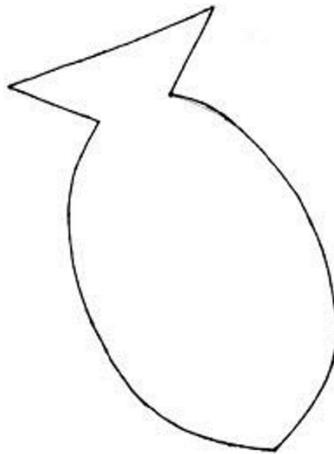

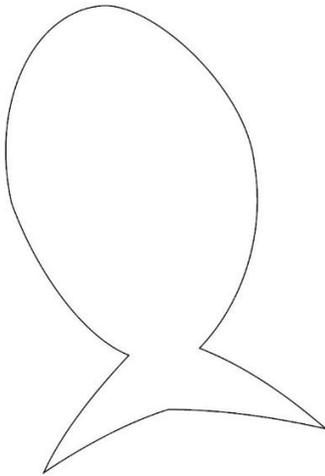

How to make the Fishing Poles:

1. Make the fishing Poles from PVC Pipe (or paper towel roll); string; duct tape (or masking/painting tape), glue, and magnet.
2. Cut the string a tad shorter than the pole; attach to the top using duct tape.
3. Attach the magnet to the other side of the string by gluing the string around it.
4. Fishing Hole can be a bucket, bowl, or a circle on the ground.

How to make the Fish:

1. Choose the animal you want to use and cut them out.
2. Attach one (1) paper clip to the animal (can tape it on).
