

Tic-Tac-Toe Underhand Throwing Pattern

How to make a Tick-Tack-Toe Board:

1. Use an old sheet or shower curtain for the board.
2. Use duct, painters', or masking tape (or paint) to make the lines.
3. Can also use chalk or tape on the ground.
4. Mark a throwing line with tape or chalk, start one (1) foot away and then back up the throwing line after each successful game.

Equipment: Four (4) of one of the following items per player: bean bag, rolled up sock, crumpled piece of paper.

How to play:

- Each player has their own color bean bag, i.e one player has red, while the other has blue.
- The object is to get three beanbags in a row, across, down, or diagonal.
- Use Underhand Throwing Pattern.
- Stand behind the throwing line.
